The SCATE 2011 Fall Conference will be held at Francis Marion University. There will be many opportunities for professional development, growth, and networking. In particular, there will be a special viewing of the film *Waiting for Superman* followed by a panel discussion with a representative group of individuals with educational interests (e.g. PACE program, Teach for America, Public School Superintendents, Elected Officials, etc.).

SCATE invites you to submit a proposal for the 2011 Fall Conference. **Proposals are due June 30, 2011.** The proposal will be peer-reviewed by the conference committee. The conference committee will notify presenters of their selection by August 1, 2011. Each presentation will be 50 minutes. We will have two new events this year: poster presentations during the Wine Social on Friday evening and special Round Table Discussions to include topics specifically designed to meet the needs of P-12 teachers and pre-service teachers. During the poster presentations, presenters will be given the opportunity to display their work in an informal setting and are encouraged to dialogue with visitors regarding their display. During the Round Table Discussions, presenters will engage in informal conversation with participants regarding hot topics in education. **All presenters will be required to register for the conference at the FULL RATE.**
